WATER RESISTANT FLOORING

Aqua-Step water resistant laminate flooring offers a range of stylish woodgrain and tile effect finishes. With full plank, half plank and mini tile designs - all featuring a 4V bevel - there's a practical and elegant finish for any interior. Ideal for use throughout the home, its water resistant qualities make it ideal for use in bathrooms, kitchens, utility rooms and dining rooms. Aqua-Step is also suitable for commercial applications, with R10 slip resistance on selected lines to ensure a safe surface even when wet. With 20 years residential warranty (5 years commercial), you can be sure of a floor that's both long lasting and sophisticated.

BETON CIRE: AQ126

MINI TILE SIZE BRUSH FINISH R10

This collection of Mini Tile designs features the Brush Finish R10 anti slip treatment to the surface, meaning that the product is ideal for use in both commercial and residential environments. The textured surface and stylish colour palette help replicate the look and feel of stone whilst being warmer and quieter underfoot.
