# Introducing the 2021 Price Crash...

76 pages packed full of unbeatable offers and savings! From the latest trends to everyday essentials, we have all your bathroom needs covered.

With over 25 years' experience in bathroom distribution, we operate from a 85,000sq ft warehouse in Yorkshire with a team of 115 staff working 24 Hours a day to ensure your order is processed and delivered on time. Over 90% of our orders are delivered on our own fleet of vehicles, with 46 delivery vans working 24 hours a day to deliver your orders as soon as possible.

Our Home Delivery or Direct to Site service means even if you are not a Frontline retailer you can still experience our impeccable service. From last-minute essentials, to helping you prepare for Monday morning — it's perfect for customers who want products delivered direct to site or in advance.

## What is Tungstenite?

Tungstenite is a substantially strong, hard wearing coating that is applied to the reverse of the bath, making it as durable as a cast iron bath but with the warmer and easier to maintain finish of acrylic.

## What are the benefits?

- Much stronger than acrylic.
- Retains heat for approximately 30 minutes longer than acrylic.
- Improved bath stability and rigidity.
- Increased durability resulting in a longer lifespan.

Look out for the Tungstenite logo 

Get the best of both worlds and utilise your bathroom space effectively by incorporating a shower bath 

Please note: Shower screen comes with rail not knob

## Why Choose Aluminium?

- Aluminium conducts heat 5x faster than steel.
- Aluminium is extremely eco-friendly due to being widely recycled.
- Aluminium doesn't rust so it has a much longer lifetime than steel.

### Key Features:

- Faster Heat-up
- Low Water Content
- Lightweight
- Contemporary Design
- Textured Surface
- Wall Brackets Included
- Anti-rust
- 20 Year Warranty
